

READY FOR BUSINESS.

A New and Efficient Finance Committee Appointed

FOR THE BIG COLUMBIAN FOURTH.

A Meeting Called for this Forenoon to Begin Active Operations toward Collecting the Sins of War—What a Prominent Workingman Thinks of the Proposed Celebration.

The following named gentlemen have consented to act as a new finance committee for the Columbian Fourth of July celebration: Hurlihen Quarrior, president of the chamber of commerce, Henry Baer, William Ellingham, P. R. Dobbin, Henry Biberson, C. B. Hart. These are in addition to those previously appointed and who did not resign. Other gentlemen whom it is desired to add to the committee were not seen yesterday. The committee will meet at 10 a. m. to-day at the Dollar Savings bank, and proceed at once to its work.

Yesterday a number of people volunteered expressions of enthusiastic approval of the celebration scheme. There has been some objection on the score of the expenses and trouble of getting up a big trades display. Nobody ever suggested a trades display. Wheeling did so well in that line on Columbus day, last year, that she can afford for the present to rest on her laurels. That was somewhat of an industrial display; this should be, and is intended to be, a patriotic demonstration.

The idea, so far as formulated, is to have a street parade, with the town generally and gaily decorated, in the forenoon, so as to be done before the pines and outdoor entertainments begin. There might be a brief address and a chorus or two, and yet the entire day celebration be over by noon. The fireworks on the hill tops at night will of course be after the crowds have returned from the pines and other gatherings on the fair grounds, at the park, etc.

Mr. Anton Reymann kindly volunteered to supplement fireworks displays on the top of Chapline hill and Wheeling hill by a display at his house on the top of Reymann's hill. The three would make such a pyrotechnical display as Wheeling never saw before.

A well known leading workman of the city, in a talk about the proposed celebration yesterday, said:

"I want to see a creditable celebration, a memorable one, and I know that nine-tenths of the masses of the people do, too. A man in moderate circumstances cannot afford to take a large family to Chicago to see the World's fair or to a fashionable summer resort, and all the stay-at-homes want something in the city on the Fourth that their families can enjoy and their children remember. It will be a boon to the working classes to have some sort of a celebration here on that day, and I think this is a phase of the matter which has not received the consideration it is entitled to. Give the workingman a chance."

The committee on street decoration and display will meet at the chamber of commerce this evening at 8 o'clock. It is composed of Messrs. C. J. Rawlin, Henry Speyer, W. A. Wilson, C. R. Tracy, George E. House, F. H. Lane, Henry Biberson, Charles Schmidt, William Ellingham, Ed. Mendel, Dave Bayha, John Waterhouse, W. W. Irwin, H. C. Myer, Fred Schwetfeger, S. S. Block, William Stone, Charles Horstman and Hugo Loos.

The committee on fireworks will meet at the same place at 8:30 this evening. It is made up of Messrs. Ed. Bocking, E. R. Franzheim, H. B. Griem, George Bremer and Peter Muhn.

No Reason to be Discouraged.

Yesterday's Evening News.

The unfortunate division of the sentiment among the members of the finance committee of the Columbian demonstration concerning the affair need not discourage the projectors of the enterprise. It is not to be expected that gentlemen whose good nature and hustling qualities have been frequently brought into use, and occasionally imposed upon, in raising funds, should always be able to find time to do such work, but there are others who can be called upon, and who will heartily respond. The demonstration can be made a great success.

Sued for Damages.

Special Dispatch to the Intelligence.

HUNTINGTON, W. VA., May 11.—The Huntington electric light and street railway was sued last evening for five thousand dollars damages by J. W. Lacey, who was the night engineer at the power house here. While at work about a week ago he was badly shocked while repairing the machinery and alleges that he was so badly injured that he never will be in good health again. Persons who work about the place say that Lacey's escape from death is remarkable.

Death Interferes With a Partisan Scheme.

SPRINGFIELD, ILL., May 11.—The prospects of a congressional and senatorial reapportionment of Illinois were seriously impaired this morning by the death of Representative Myers, of Calhoun county. This leaves the Democrats with but twenty-seven votes, a bare quorum in the house, and the party is in the mercy of a single recalcitrant.

Will Resume Work.

COLUMBUS, O., May 11.—At 12 o'clock to-day the Ohio miners had consented to resume pick mining at last year's rate of twenty cents per ton. The operators desiring to have the miners include machine mining over the signatures to the scale, and failing to get their consent, adjourned for consultation and to meet later.

WEST VIRGINIA EDITORS.

The Editorial Association Has a Good Time—A Splendid Banquet—Meets in Wheeling Next Year.

Special Dispatch to the Intelligence.

MARTINSBURG, W. VA., May 11.—The editorial association held an interesting session this forenoon. A resolution denouncing the type trust, introduced through the influence of a representative of Barnhart Bros. & Spindler, was discussed and defeated by a decided majority. Mr. Stuart F. Reed, of the Clarkeburg Telegram, was elected president of the association for the coming year; W. S. Wiley, of the Wetzel Democrat, vice president; H. L. Snyder, of the Shepherdstown Register, secretary; A. B. Clark, of the Buckhannon Delta, historian; Col. Robert McEldowney, of the Wetzel Democrat, poet; K. E. Horner, the retiring president, W. L. Mansfield, of the Wayne News, and C. W. Boyer, of the Martinsburg Statesman, were elected delegates to the national association. Messrs. J. E. Curtis, of the Wellsburg News, George M. Fleming, of the Buckhannon Banner, and R. W. Morrow, of the Farmer Advocate, of Charlestown, were elected as alternates. Wheeling was selected as the next meeting place.

At 2:30 the association adjourned and attended the corner stone laying, after which they visited the Hannis distillery, the Middlesex knitting mill and other places of interest. An important meeting was held again at 7:30 o'clock, and at 10 o'clock the editors and about thirty invited guests attended the banquet at the St. Clair hotel, which was one of the most brilliant affairs of the kind ever witnessed in the city. A most excellent menu was spread. Mr. D. C. Westenhaver, of Martinsburg, acted as toast master. The retiring president, Mr. R. E. Horner, responded to the toast, "The Editorial Association," "Our Guests," Col. James O. Frazer, "The Eastern Pan-Handle," Hon. Alex. Parks, "The Last West Virginia Legislature," Hon. S. W. Walker, "The Press and Politics," Senator Charles J. Faulkner, "The Evolution of the Devil," U. S. G. Pitzer, and Col. Robert McEldowney read his excellent paper on the newspaper and the politicians.

The old board of directors, the old executive committee and the old officers were all re-elected. The officers are as follows: George W. Thompson, president; W. N. Chancellor, secretary; C. Clinton Gardner, general manager; W. M. Trevor, treasurer; E. W. Warnick, Auditor; C. L. Williams, superintendent; W. J. Want the Sherman Act Repealed.

BIRMINGHAM, ALA., May 11.—The State Bankers Association to-day adopted a resolution by three majority asking the Alabama senators and representatives to vote for the repeal of the Sherman act. The discussion was lively.

MARTIN'S FERRY.

News Notes and Personals from Our Near Neighbor.

Nearly all of the Foresters returned to their homes yesterday. Most of them were up early, notwithstanding the big banquet the night before, and much sight-seeing was done. The mound, manufacturing establishments, Wheeling Park and the neighboring towns were visited and the visitors appeared well pleased with what they saw and their entertainment while in Martin's Ferry. Court Ohio Valley and Court Belmont outdid themselves in entertaining the grand court.

Last night the president of council appointed the following standing committees: Streets, Davis, Stewart, Wernig; Light, Bailey, Davis, Stewart; ordinances, James, Wernig, Bailey; finance, Wernig, Stewart, James; fire department, James, Wernig, Davis; hall, Wernig; water works, Stewart, Davis.

Mrs. Thomas Fitzsimmons died at the family residence on the corner of Hanover and Second streets last evening very suddenly. She was taken sick on Wednesday shortly after dinner. She was forty-six years old. The funeral will take place to-morrow morning at 9 o'clock.

Martin's Ferry not only got several very important offices in the Foresters, but three in the great council of the Red Men, which met at Ironton on Tuesday and Wednesday. At the latter Mr. T. J. Irwin was elected Great Chief of Records and secretary and treasurer. All of these are an honor to the city.

The auditors of the counties through which passes the Cleveland & Pittsburgh railroad have assessed the main line at \$10,000 a mile and the river division at \$17,000 per mile. Sidings were placed at \$3,500 and other personal property at \$330 a mile.

Last night John Vickers and George Strain returned from Youngstown, where they attended the state convention of the Junior Mechanics. About 300 delegates were present.

The executive council of the Foresters will hold its meetings in Martin's Ferry the coming year, the majority of the officers being Martin's Ferry men.

John C. Hayno, who has been superintending the removal of the Wethersford rolling mill from Findlay to Martin's Ferry, returned home yesterday.

James Ferrell buried a four-and-a-half year-old child yesterday. Rev. Mr. Dornblaser, of Wheeling, officiated.

Miss Francis Conwell, of Cadis, who has been visiting Miss Bess Brady, left yesterday for Fairmont, W. Va.

Miss Sadie J. Fern, of the East Side, Pittsburgh, is the guest of Mr. and Mrs. George S. Baird, on Third street.

The Vigilant hose company has been made a member of the Eastern Ohio Firemen's association.

The burning of brush on the hill back of Martin's Ferry last night attracted much attention.

The case of Ohio against Charles McCord has been ordered off the docket.

Mr. Brannigan will remain with the Buckeye glass company until May 10.

Louis D. Lord, of the Foresters, will not return to Cleveland until to-day.

One skull was found in the mound yesterday and two on Wednesday.

At the Y. M. C. A. this evening W. T. Dixon will make an address.

Bellaire.

All Sorts of Local News and Gossip from the Glass City.

Messrs. George H. Muth, Charles W. Rodewig and John Maule returned yesterday from the Northeastern Ohio Volunteer Firemen's Association meeting at Massillon. They succeeded in having the next meeting of the association fixed for this city, but Marietta captured the tournament. Charles Rodewig had served as treasurer of the organization for two terms, and under their rules that is all one man can hold that office. After the election of Peter Smith, of Massillon, to this place, all the other old officers were re-elected by acclamation.

Bellaire is beginning to feel the effects of country people being shut off from the town by the electric street railway occupying the road north and south of the city. Farmers declare they are unable to reach the city from those points with any kind of conveyance. One man out the National pike who has a contract to deliver several tons of hay here had to go to Wheeling, and thence to this city, the road above being wholly obstructed.

The Democrats of the county talk of nominating James T. Kelley, assistant cashier of the First National bank, for county treasurer, or in case he won't have that, they want George W. Yost, secretary of the Bellaire Bottle Company, to run for commissioner. Both of these gentlemen are excellent business men, but there are not Democrats enough in the county to induce them to run for office—not just now, at any rate.

Twenty Knights Templar from this city went to St. Clairville yesterday, where accession day services were held in the M. E. church. Rev. Dr. Webb preached the sermon. In the afternoon and evening the Templar degrees were conferred in the asylum of Hope Commandery, and afterwards the knights banqueted at the Clarendon hotel. Six new templars were created.

The coal miners here, or all of them who can secure work, have resumed at the old price after nearly two weeks of lost time. Some of the mines are not on full, and the mill mine will not go on for a month or two.

The splendid weather this week has brought out all the driving horses and private rigs in the city, and it is astonishing the number there is now here. The streets are lively every evening with fine turnouts.

John L. Davis, Baltimore & Ohio agent here, last evening received notice of his transfer to Chicago Junction, where he will serve in the same capacity.

Congressman Pearson will make the Memorial Day address at Barnesville and Hon. J. W. Nichols is booked for Martin's Ferry on that day.

The Cleveland & Pittsburgh Railroad Company, in putting down a new track to the river, have cut off all roadway to the upper wharfboat.

There was a small fire in the Fourth ward last evening, and the department was called out. No serious damage was done.

World's Columbian Exposition Will be of value to the world by illustrating the improvements in the mechanical arts and eminent physicians will tell you that the progress in medicinal agents, has been of equal importance, and as a strengthening laxative that Syrup of Figs is far in advance of all others.
